EDUCATION

University of Auckland

Bachelor of Software Engineering (Hons)

Auckland, NZ

Feb 2024 – Present

EXPERIENCE

Software Engineer Intern

Nov 2025 – Feb 2026

Heartlab

Auckland, NZ

- Built a multi-select bulk actions feature using **Vue.js** and **TypeScript**, to update multiple records simultaneously in a clinical imaging platform used by healthcare professionals
- Developed and modified **NestJS** REST APIs with **PostgreSQL** to support batch update endpoints
- Worked in a large production codebase using **Git**, pull requests, and code reviews, contributing both frontend UI improvements and full-stack features

Software Developer & UI Designer

Feb 2025 – Nov 2025

WDCC - University of Auckland's Web Development and Consulting Club

Auckland, NZ

- Collaborated in a team of **10** developers to build the official UoA Esports Club website, designed to serve a growing community of **2500+** members, improving membership management and event coordination
- Designed intuitive UI/UX layouts using **Figma**, focusing on accessibility and user engagement.
- Contributed to front-end development using **React**, **Next.js**, and **TypeScript**

Project Manager

Mar 2026 – Present

WDCC - University of Auckland's Web Development and Consulting Club

Auckland, NZ

- Leading a team of 10 developers to build an improved ticketing and event platform for the **Auckland Med Revue**
- Managing project scope, timelines, and task allocation using agile workflows
- Collaborating with client stakeholders to gather requirements for ticketing, admin dashboards, and reporting features

EXTRACURRICULARS

Sponsorship Manager

Dec 2025 - Present

SESA - Software Engineering Students Association

Auckland, NZ

- Manage partnerships with 10+ industry sponsors, coordinating recruitment events and student engagement initiatives
- Organise sponsor participation in networking events, technical talks, and promotional campaigns
- Promote internship and graduate opportunities to 1000+ software engineering students

Industry Executive

Dec 2025 - Present

WDCC - University of Auckland's Web Development and Consulting Club

Auckland, NZ

- Organise industry networking events connecting software engineering students with leading tech companies
- Organised and led technical and career workshops, including CV preparation sessions, attended by 100+ students

Marketing Director

June 2025 - Dec 2025

WDCC - University of Auckland's Web Development and Consulting Club

Auckland, NZ

- Led a team of 5 to coordinate marketing campaigns, manage content scheduling, and ensure alignment with directors through regular meetings and progress tracking
- Designed the WDCC mascot, establishing a unique and recognizable brand identity, contributing to the club's growth to 1,000+ members this year

PROJECTS

Tuckshop App | React Native, JavaScript

[GitHub Repo](#)

- Built a mobile ordering app using React Native and Firebase with real-time admin menu CRUD
- Used weekly by 800+ students, reducing queue times with a responsive ordering flow

Interactive School Map | HTML, CSS, JavaScript, Leaflet

[GitHub Repo](#)

- Created an interactive campus map for 1,000+ students with clickable buildings using Leaflet

Runlock App | React Native

- Built a productivity mobile app in a team of 6 at the GDSC 2024 Hackathon; placed 3rd overall

Pokestudy | React, TypeScript, Firebase

- Built a Pokémon-themed student dashboard to gamify study tasks using React, TypeScript, and Firebase
- Won Best Design at the SESA x DEVS Hackathon (10+ teams)
